1 in 4 LAs are not signed before leaving.

**71% of students make changes
to their Learning Agreements.**

learning-agreement.eu

The most frequent reason is that selected courses are not available upon arrival at the receiving institution (57%).

Only 62% say they have received unconditional recognition for the credits obtained in the final version of their Learning Agreement.

Modifications to Learning Agreements are the main risk factor why courses are not approved by the home institution upon return.
